

## Save the Dates PS1 Grandparents

Welcome PS1 Pluralistic School Grandparents! You are part of an important journey at PS1, and all of us are so grateful to have you as members of our community. PS1 is a unique school in that it encourages each of us to be involved – together we help make learning thrive!

A wonderful way to participate is through our grandparent sharing group called "**Grandparents Live!**" In this group's eighteenth year, grandparents have the opportunity to connect through shared stories, invitation to Circle Times, Grandparents & Special Friends Day and more! This year, PS1 will be offering our meetings as a blend of in-person and Zoom for those not able to join us here on campus.

In addition, we hope you can plan now for Grandparents and Special Friends Day being held right here on campus on Friday, February 9, 2024. Grandparents come from far and wide for this special moment at PS1. It is a long-stayed tradition and a favorite among all Grandparents and Special Friends. Initiations to be mailed in December.

I look very much forward to meeting you one of these days on campus and actually saying hello in person! We are all pleased to have you as a part of the PS1 Community.
