

“Grandparents Live!”
In-Person Story Shares – On Campus and by Zoom – 10:00am PST

Friday, October 7

The New Head in Town, and Stories of Summer. The newly appointed Interim Head of School, Erik Carlson, will be joining us to introduce himself and hear first-hand from some of PS1’s biggest cheerleaders – You! We will continue this session with stories of summer. Did you get to spend time with your grandchild(ren)? Explore a new place? Read a good book? Cook an extra-special meal? Share some of your standout moments of your summer, and help inspire our group’s sense of adventure.

Friday, December 9

Light! Cameras! Action! Have you ever been on stage, part of a production, played in a recital, spoken in public or even been on TV or the big screen? What was the occasion? Did you have the jitters? How did it all turn out? Share with the group a “debut story” and what life’s lessons you took away from the experience.

Friday, January 6

Remember the Good Ol’ Days? We have spent much of our time talking about what it’s like being a grandparent and your own life lessons. What do you remember about your own grandparents? Did you have a favorite activity with them? Were they strict or easy going? Did you ever work alongside them? Think back to your own grandparents and share some of your own favorite memories with the group.

Friday, March 3

Planes, Trains and Automobiles! Do you recall the first time you ever got to fly in an airplane? Or take a long-awaited journey on a train – maybe even the Orient Express? Or how about that first car of yours? What made your heart race about a journey? Did you run into any snafus on one of your “firsts?” Transportation certainly has changed a lot over the years, and we want to know about your own experience.

Friday, May 5

Honors, Awards and Cheers – Oh My! Have you ever been bestowed an honor? Received recognition for a big accomplishment? Placed in a sporting event? Had a favorite recipe published? Reached a special work or life anniversary? Landmark moments in life mean quite a bit, and help inspire others as well. Drum up the celebratory spirit and tell us about your own personal achievement.
