Community Coffees

Come join us for regularly scheduled coffee and camaraderie. This is a great opportunity to meet other members of the PS1 community.

Halloween Fruit • Halloween 2022

The committee puts together fruit skewers for all students to enjoy after each class comes on stage in costume and does a whole school parade around the block.

Moving-Up-Day Coffee •

June 2023

Coffee for our whole community. Join us on the Euclid yard for refreshments to enjoy before this important event.

Volunteers do not necessarily have the time; they have the heart.

Book Fair • Fall 2022

For this much-beloved event, a Book Shop comes to our school to help us set up our very own mini-bookstore in the MPR. A wonderful selection is available for all ages (including adults). It's a great way to invigorate our home libraries, buy gifts for upcoming holidays, and donate books to the PS1 classrooms and library...as well as to raise funds for our school.

PS1 Family Festival • Nov 2022

This festival is a community gathering for all ages, celebrating art, creativity, family, and community with fun and food. Volunteer moms & dads help with everything from theme decorations to set construction, serve brunch items, and host game booths and craft activities. Volunteers are a big part of this community-building event.

Fundraising Gala • April 2023

It's our biggest FUN-raiser of the year! Come for the eating, chatting, dancing, bidding, laughing, drinking and so much more. We will need help with contributions, solicitations, data-entry, catalog writing, decorations, setup/check-out services the day of the event, art project coordination and more to put together this important fundraising event.

Party Book • Registration begins Fall 2022

The PS1 Party Book gives our families the opportunity to connect, socialize and have fun together throughout the school year. In the fall, you will be able to peruse the catalog of wonderful events to attend. Or, how about hosting one of these amazing gatherings?

Staff Appreciation • May 2023

Nobody can replace the staff and faculty at PS1, so we treat them to a pupil-free afternoon where they are celebrated with gifts, a beautiful luncheon and a whole lot of gratitude.

Yeabook

Help preserve moments and memories that will be cherished for years to come. The yearbook chronicles a year in the life at PS1. Volunteers are needed to take and/or collect photographs, coordinate layout and contribute inspiration to this important and much loved annual project.

Community Service

This committee helps support service programs and events that teachers plan with their students. We also coordinate after-school activities (called PS Serves) in cooperation with the non-profit organization, The People Concern. In addition, each year we run a holiday gift drive for a local organization.

Library Support

If you're ever early for pick-up or drop-off, why not stop by the library and shelve a few books? This committee also organizes monthly Book Breakfasts and gives general assistance to our librarian, Christina.

Lunch Delivery

Our Lunch Delivery program offers student lunches for purchase, five days a week. Our vendor offers a variety of nutritious, balanced choices, but we depend on the support of parent servers to make this program a success.

One from the Heart

This committee offers support to families within the PS1 community who experience an unexpected crisis. Help comes in the form of meals, carpools, errands, playdates and more. Volunteers become part of the outreach pool and, if the need arises, will be called upon to help (pending availability). This is a great way to provide a meaningful service to the PS1 community.

Staff Assistance

We need volunteers to get out all the important information! Grab some coffee and catch up on the latest PS1 news while lending a hand to staff by putting together mailings, assisting with other office projects or evening events.

School Spirit

We've got hats, shirts and more - all with the PS1 logo. We need volunteers to assist with selling these items at school events. And come visit our cart and stock up!

Networking Happy Hours

An opportunity to get to know PS1 parents and staff outside of school, these monthly happy hours cover a range of topics and professional interests. Attend or host an event!

Classroom Assistance

Each class welcomes parent volunteers throughout the year. Opportunities include driving on field trips, helping with special projects, taking photos, reading at DEAR Time or assisting at Centers Time. If you'd like to help even more in your child's classroom, consider becoming a Field Trip Coordinator or Classroom Social Coordinator.
